Title: 'Farms like Mine': A Novel Method in Peer Matching for Agricultural Benchmarking

Journal: Computers and Electronics in Agriculture

Dear Mr. Reader,

Thank you for submitting your manuscript to Computers and Electronics in Agriculture. I regret to inform you that reviewers have advised against publishing your manuscript, and we must therefore reject it.

Please refer to the comments listed at the end of this letter for details of why I reached this decision.

We appreciate your submitting your manuscript to this journal and for giving us the opportunity to consider your work.

Kind regards,

Angela Ribeiro
Editor-in-Chief
Computers and Electronics in Agriculture

Comments from the editors and reviewers:

The paper has several important drawbacks. It does not have enough quality in terms of scientific presentation, subject, and overall structure. Moreover, reference section is lost. Perhaps, this paper is more suitable for a farmer's magazine than for a scientific journal.
